

Central Business District Links from Mitchell Freeway Principal Shared Path

- A. Exit at Loftus Street to connect with the shared path that connects with the Perth to Fremantle Principal Shared Path. Once on that path several exits to the CBD are available.
- B. Exit the path at Newcastle Street by turning north at the underpass near the western entry to the Graham Farmer Freeway.
- C. Exit Mitchell Freeway Principal Shared Path at the western end of Aberdeen Street. Continue east along Aberdeen Street in the cycle lanes provided to get into the heart of Northbridge.
- D. Travel south on road down Shenton Street and Milligan Street to meet up with the Principal Shared Path on Roe Street. It is possible to cross the railway bridge at this point to gain access to the CBD by road or you can travel east on a path alongside Roe Street towards East Perth.
- E. If you continue along Aberdeen Street you will find bicycle lanes to William Street and wide, quiet roads to the eastern end of Aberdeen Street near East Perth.
