

Central Business District Links from the Causeway

- A.** After the Causeway turn west onto the shared path and follow it between the river and Riverside Drive. Cross Barrack street and continue past the bell tower, around the foreshore. After passing the Esplanade Busport turn right (north) and cycle through the underpass, following the path around the lake, through another underpass and around the lake. This path will lead you to join the Narrows Bridge path, head north following the path along George Street up to Hay Street and Parliament House.
- B.** After the Causeway turn west onto the shared path and follow it between the river and Riverside Drive. Cross Barrack street and continue past the bell tower, around the foreshore. After passing the Esplanade Busport turn right (north) and cycle through the underpass, following the path around the lake, through another underpass then turn left and continue on the path. Briefly join the Narrows Bridge path heading north then follow the path around the lake and along Mounts Bay Road. Follow this path to Spring Street and turn left cycling on road to the Mount Street intersection.
- C.** After the Causeway turn west onto the shared path and follow it between the river and Riverside Drive. Cross Riverside Drive and head north into the CBD on Barrack Street. Beware of heavy traffic on this road during peak hours.
- D.** After the Causeway turn west onto the shared path and follow it between the river and Riverside Drive. Cross Riverside Drive and head north on road towards the CBD on Plain Street. Turn left at Terrace Road and stay on road heading towards the Council House and Supreme Court Gardens.
- E.** On the Causeway down ramp turn left then follow the path under the bridge heading north, continue along the path and turn left to stay on the west side of Hay Street East Reserve continuing past the WACA to Hale Street.
- F.** On the Causeway down ramp turn left then follow the path under the bridge heading north, continue along the river then turn left onto Nile Street. Cyclists will be on road but it is a good road cycling environment.
- G.** On the Causeway down ramp turn left then follow the path under the bridge heading north, continue along the river all the way to Claisebrook Cove and Victoria Gardens.
