

Have your say: Alignment of Roe H'way Stage 7.

Roe Highway Stage 7 will run between South Street and Kwinana Freeway along the general corridor shown above. The Minister for Planning and Infrastructure has established a Local Impacts Committee to recommend a preferred alignment within this corridor. The Committee is seeking comments from the wider community to assist with this work.

This is your opportunity to raise any issues or concerns that the Committee should consider in identifying the preferred alignment within this corridor.

Comments may be provided by attending an open community information session on Saturday, September 28th, between 9.30 and 11.30am. Members of the Local Impacts

Committee will be in attendance to listen to your views. The Committee is chaired by Riverton MLA, Tony McRae and includes other parliamentary members, representatives from Local Government and the community.

You can attend the information session at either of these locations:-

- Banksia Park Primary School, Hicks St, Leeming.
- Glen Iris Country Club, Dean Rd, Jandakot.

You can also make written comments which should be posted to Steve Beyer, Project Director, Freight Network Strategy, Level 6, 441 Murray St, PERTH, WA 6000, or e-mailed to gary.manning@planning.wa.gov.au

The closing date for comments is 4 October.
